2. Exhibits

a. Mr. [] reports that all is in readiness for the Support Exhibit on 17 September and the Products Exhibit on 18 September. All exhibit materials have been draped so that work crews will be able to set up and dismantle them.

25X1

b. Last week we reported that about 160 NSA visitors were expected at the 18 September exhibit. For administrative reasons, NSA has decided instead to send approximately half the group this month and the rest to the 30 October exhibit. This change will simplify considerably our own administration of the exhibit. Mr. [] will brief the NSA visitors and members of the Orientation Faculty will brief the USIB visitors from the Pentagon and State Department before visiting the exhibit.

c. The Liaison and Collection Divisions, OCR, and the new Photo Intelligence Center, DD/I, will not participate in the Intelligence Products Exhibit this month. Both these units are making complete revisions in their presentations, which will not be completed until October.

3. Current Intelligence Briefings

a. The Current Intelligence Briefings will continue to be held weekly on Fridays from 1230 to 1 p.m. in the R&S Auditorium.
